

浙江省杭州第二中學

HANG ZHOU No.2 HIGH SCHOOL OF ZHE JIANG PROVINCE

Letter of Recommendation

To the Admissions Committee,

I am writing with great pleasure to recommend Mr. **Zhang Yichao** for admission to your undergraduate program in Chemistry or related natural sciences. As his Chemistry teacher at Hangzhou No.2 High School of Zhejiang Province, I have witnessed his exceptional talent and profound passion for the subject, which truly set him apart from his peers.

Zhang Yichao's academic performance in Chemistry has been consistently outstanding. He actively engages in class discussions, asks insightful questions that reflect a deep curiosity, and completes all assignments with thoroughness and precision. His ability to grasp complex chemical concepts and apply them flexibly is remarkable.

What impresses me most is his significant achievement of being selected for the National Talent Program in Chemistry, an honor bestowed upon only a dozen high school students across the entire province. This recognition speaks volumes about his exceptional ability and potential in the field. Furthermore, he has conducted an independent research project under the program, which not only demonstrated his strong investigative skills but also earned high praise from several professors. His initiative, creativity, and dedication throughout the research process reaffirmed my belief in his potential as a future scientist.

Zhang Yichao possesses a proactive approach to learning and a genuine enthusiasm for scientific inquiry. I am confident that he will thrive in the rigorous and inspiring environment that your university offers. It is with great confidence that I recommend him for your program, and I believe he is well-prepared to achieve great accomplishments in his academic and professional future.

Sincerely,

Han Minjiang
